Capacity	5 litres

Water Pressure	0.7 - 7bar
Water Connection	1/2" BSP
Water Valves	N/A
Power Rating	2.2kW @ 230V
Dimensions	W318mm x D198mm x H465mm
Product Approvals	CE
Warranty	2 years on-site parts & labour

Installation Requirements

- 1). Must be installed by a suitably qualified person in accordance with manufacturers instructions and with all relevant plumbing and electrical regulations.
- 2). In some hard water areas where mineral scale accumulation can become a problem, consideration should be given to the maintenance required, adding a high capacity filtration.
